\$ \_\_\_\_\_, 1975

PROVIDENT NATIONAL BANK, as trustee ("Trustee") under the Trust Agreement dated as of November 1, 1974 ("Trust Agreement"; the defined terms therein not otherwise defined herein being herein used with the same meanings); between MARYLAND NATIONAL BANK ("Trustor") and the Trustee, hereby promises to pay to \_\_\_\_\_,

or registered assigns, the principal sum of \$ \_\_\_\_\_, together with interest on the amount of said principal sum remaining unpaid from time to time from the date of this Equipment Trust Certificate until payment in full of said principal sum at the rate of 11-1/8% per annum (computed on the basis of a 360-day year of twelve 30-day months), payable in seventy-eight (78) consecutive tri-monthly level payments of principal and interest of 3.15221% of the principal amount of this Certificate (except that the last such payment shall be in an amount sufficient to discharge the accrued interest on, and unpaid principal of, this Equipment Trust Certificate), commencing \_\_\_\_\_, 1975, and on each \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_, thereafter.

This Equipment Trust Certificate, to the extent permitted by applicable law, shall bear interest at the rate of twelve (12) percent per annum (computed as aforesaid) on any part of the principal or interest hereof not paid when due for any period during which the same shall be overdue.

All payments of principal and interest hereunder and under the Trust Agreement shall be made only from the income and proceeds from the Trust Estate and without recourse against the Trustor or the Trustee in its individual capacity and only to the extent that the Trustee shall have sufficient income or proceeds from the Trust Estate to make such payments in accordance with the terms of Article V of the Trust Agreement; and each holder hereof, by its acceptance of this Equipment Trust Certificate, agrees that it will look solely to the income and proceeds from the Trust Estate to the extent available for distribution to the holder hereof as above

provided and that neither the Trustor nor the Trustee is or shall be personally liable to the holder hereof for any amounts payable under this Equipment Trust Certificate or the Trust Agreement.

Principal and interest shall be payable at the corporate trust office of the Trustee at 17th and Chestnut Streets, Philadelphia, Pennsylvania 19103, or at the office of any successor Trustee, in lawful money of the United States of America.

Each holder hereof by its acceptance of this Equipment Trust Certificate agrees that, except as otherwise provided in Section 3.05 of the Trust Agreement, each level payment and any other payment received by it hereunder shall be applied, first, to the payment of accrued interest on this Equipment Trust Certificate (as well as any interest on overdue principal or interest) to the date of such payment, second, to the payment of the principal amount of this Equipment Trust Certificate then due and third, the balance, if any, remaining thereafter to the payment of the principal amount of this Equipment Trust Certificate remaining unpaid, in the manner set forth in Section 3.05 of the Trust Agreement.

This Equipment Trust Certificate is one of the Equipment Trust Certificates referred to in the Trust Agreement, which have been or are to be issued by the Trustee pursuant to the terms of the Trust Agreement. The rights of the Trustor under the Trust Agreement, as well as the beneficial interest of the Trustor in and to the Trust Estate, are subject and subordinate to the rights of the holders of the Equipment Trust Certificates to the extent provided in the Trust Agreement. Reference is hereby made to the Trust Agreement for a statement of the rights of the holder of this Equipment Trust Certificate and of the rights of the holders of any other Equipment Trust Certificates and of the Trustor, as well as for a statement of the terms and conditions of the trusts created by the Trust Agreement, to all of which terms and conditions each holder hereof agrees by its acceptance of this Equipment Trust Certificate.

This Equipment Trust Certificate is subject to prepayment as provided in Sections 5.02 and 5.03 of the Trust Agreement and, if prepayment is made pursuant to Section 5.02(a) of the Trust Agreement, by reason of any payments from Lessee or other amounts received by the Trustee pursuant to Section 8 of the Lease upon Lessee's election to terminate the Lease with respect to a Unit, such prepayment shall be made on

the termination date specified in said Section 8 with respect to such Unit, at a price equal to the principal amount to be prepaid, determined hereinafter as provided, together with interest accrued to the date of prepayment.

The principal amount of this Equipment Trust Certificate to be prepaid from amounts received by the Trustee pursuant to Section 8 of the Lease shall be in the same proportion to the principal amount of this Equipment Trust Certificate outstanding on the termination date referred to above (after application of the tri-monthly level payment due on this Equipment Trust Certificate on such termination date, or if such termination date is not a Payment Date, after deduction of the portion of any amount held by the Trustee in accordance with Section 5.01(b) of the Trust Agreement which is applicable to the principal of this Equipment Trust Certificate) as the Purchase Price of the Units with respect to which the Trustee has received such amounts is to the aggregate Purchase Price of (x) all Units subject to the Lease on such termination date and (y) all Units with respect to which the Trustee has received such amounts.

As provided in Section 9.03 of the Trust Agreement, the Trustor may, after the Trustee, acting with the consent of a Majority in Interest of Participants pursuant to Section 6.01 thereof, has declared the Lease to be in default (unless such declaration has been rescinded), purchase all outstanding Equipment Trust Certificates, upon payment to holders thereof of the aggregate unpaid principal amount thereof, together with accrued interest thereon to the date of payment, plus all other sums then due and payable to such holders hereunder or under the Finance Agreement or under the Trust Agreement.

SECTION 3.02. Subject to fulfillment of the conditions specified in Article IV, on (a) the Closing Date, there

shall be issued to the Interim Participant a single Interim Certificate dated the Closing Date; and (b) the Second Closing Date, there shall be issued to the Loan Participant a single Equipment Trust Certificate; in each case payable to such Participant (or such other person as such Participant shall have designated in writing to the Trustee) in a principal amount equal to the amount of such Participant's loan pursuant to Section 1 of the Finance Agreement. Each Certificate shall be payable as to principal and interest and otherwise as provided in the form thereof in Section 3.01.

SECTION 3.03. All payments to be made under the Certificates and under this Trust Agreement shall be made only from the income and the proceeds from the Trust Estate and only to the extent that the Trustee shall have sufficient income or proceeds from the Trust Estate to make such payments in accordance with the terms of Article V hereof. Each holder of a Certificate, by its acceptance thereof, agrees that it will look solely to the income and proceeds from the Trust Estate and without recourse against the Trustor or the Trustee in its individual capacity to the extent available for distribution to such holder as above provided and that neither the Trustor nor the Trustee is or shall be personally liable to the holder of any Certificate for any amounts payable under the Certificates or, except as provided in Sections 7.01 and 7.03, with respect to the Trustee, and Section 8.02 and Article IX, with respect to the Trustor, this Trust Agreement.

SECTION 3.04. The principal of and interest on each Certificate and the amounts payable to the Trustor pursuant to this Trust Agreement will be payable at the office of the Trustee referred to in Section 12.05, in lawful money of the United States of America. Notwithstanding the foregoing or any provision in any Certificate to the contrary, the Trustee will pay, unless otherwise directed by such holder or the Trustor by written notice to the Trustee, all amounts payable by the Trustee to the holder of a Certificate or a designee or nominee therefor or to the Trustor (including all amounts distributed pursuant to Article V of this Trust Agreement) (i) by crediting the amount to be distributed to the Trustor to its account maintained with the Trustee, (ii) by crediting the amount to be distributed to such holder of an Interim Certificate to its account maintained with the Trustee, and (iii) by transferring by wire the amount to be distributed to such holder of an Equipment Trust Certificate to its account at United California Bank or to such other bank in the United

States, including a Federal Reserve Bank, as shall have been specified by such holder for credit to its account maintained at such bank, without any presentment or surrender of any Certificate, except that in the case of the final payment in respect of any Certificate, such Certificate shall be surrendered to the Trustee. The Trustee may deem and treat the person in whose name any Certificate shall have been issued by the Trustee as the absolute owner and holder of such Certificate for the purpose of receiving payment of all amounts payable by the Trustee with respect to such Certificate and for all other purposes, unless and until there is full compliance with the provisions of Section 3.07.

SECTION 3.05. In the case of each Equipment Trust Certificate, each payment of principal and interest and any other payments made thereunder (other than any amounts distributed by the Trustee pursuant to clause "third" of Section 5.02 or clause "second" of Sections 5.03 and 5.06) shall be applied, first, to the payment of accrued interest on such Equipment Trust Certificate to the date of such payment, second, the payment of the principal amount of such Equipment Trust Certificate then due thereunder and third, the balance, if any, remaining thereafter to the payment of the principal amount of such Equipment Trust Certificate remaining unpaid. The amount of each level payment of such Equipment Trust Certificate becoming due after application pursuant to clause "third" above shall be adjusted by the Trustee as directed by the Trustor so that, upon the due payment of all level payments thereafter, the entire unpaid principal amount of and all accrued interest on such Equipment Trust Certificate shall have been paid in full.

SECTION 3.06. A holder of a Certificate shall have no further beneficial interest in, or other right with respect to, the Trust Estate when and if the principal of and interest on all Certificates held by such holder and all other sums payable to such holder hereunder, under the Lease, the Finance Agreement and such Certificates shall have been paid in full.

SECTION 3.07. (a) The Trustee shall maintain a register for the purpose of registering transfers and exchanges of Certificates. A holder of a Certificate intending to transfer any or all of the Certificates shall (x) surrender such Certificate or Certificates to the Trustee at its office referred to in Section 12.05 hereof, together with a written instrument of transfer with signature guaranteed and direction from such holder for the issuance of a new Certificate or

Certificates, specifying the denomination or denominations of the same and the name and address of the payee or payees, and (y) deliver to the Trustee (at such holder's expense) an opinion of counsel satisfactory to the Trustee to the effect that such transfer may be made by the holder of such Certificate or Certificates without violation of the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act") or the registration provisions of the Securities Act of 1933, as amended (the "Securities Act"). The right of such Participant or other holder of a Certificate to transfer such Certificate, as expressed herein, shall be subject to the foregoing and no transfer may be made except on the register maintained by the Trustee and unless evidence of compliance with the foregoing shall have been delivered to the Trustee.

(b) The Certificates are being issued under this Trust Agreement pursuant to the express understanding, and specific representation and warranty made by the Interim Participant and the Loan Participant in the Finance Agreement, that (i) such Participant is acquiring each Certificate for its own account; and (ii) in each case, each Certificate is being acquired for investment and not with a view to the distribution thereof or with any present intention of selling such Certificate, provided that, subject to applicable federal and state securities laws, the disposition of such Certificate shall at all times be within its control. Each such Participant and every subsequent holder of a Certificate shall by its acceptance of a Certificate issued under this Trust Agreement be deemed to have represented and warranted to the Trustee that it will make no sale or other distribution of the Certificate or Certificates issued to it, in whole or in part, in violation of the Trust Indenture Act or the registration provisions of the Securities Act. Each Certificate issued under this Trust Agreement shall bear a legend substantially as follows:

"This (Interim) Equipment Trust Certificate has not been registered under the Securities Act of 1933, as amended, and the sale, transfer or disposition of this (Interim) Equipment Trust Certificate is subject to Section 3.07 of the Trust Agreement, dated as of November 1, 1974, pursuant to which this (Interim) Equipment Trust Certificate was issued, copies of which are on file at the corporate trust department of the Trustee."

(c) Promptly upon compliance with subsection (a) of this Section the Trustee will issue a new Certificate or Certificates of the same nature, in the same aggregate original

face amount, dated the same date or dates as the Certificate or Certificates surrendered, and in such denomination or denominations and payable to such subsequent holder as shall be specified in the written direction from such holder. Nothing herein contained shall prevent any holder of Certificates from consolidating such Certificates of the same nature into a lesser number of Certificates of the same nature. The Trustee shall make a notation on each new Certificate of the amount of all payments or prepayments of principal previously made on the old Certificate or Certificates with respect to which such new Certificate is issued and of the then outstanding principal amount of the new Certificate and the date to which interest on such old Certificate or Certificates has been paid. The Trustee shall not be required to exchange or transfer any surrendered Certificate as above provided during the five-day period preceding the due date of any payment on such Certificate.

SECTION 3.08. If any Certificate shall become mutilated, destroyed, lost or stolen, the Trustee shall, upon the written request of the holder of such Certificate and compliance with the other conditions of this Section, execute and deliver in replacement thereof a new Certificate of the same nature, payable in the same original principal amount, dated the same date as the Certificate so mutilated, destroyed, lost or stolen. If the Certificate being replaced has become mutilated, such Certificate shall be surrendered to the Trustee. If the Certificate being replaced has been destroyed, lost or stolen, the holder of such Certificate shall furnish to the Trustee such security or indemnity as may be required by the Trustee to save the Trustee harmless, and evidence satisfactory to the Trustee of the destruction, loss or theft of such Certificate and of the ownership thereof; provided, however, that if the holder of such Certificate is an original Participant, the written undertaking of such Participant delivered to the Trustee shall be sufficient security and indemnity.

SECTION 3.09. Upon the issuance of a new Certificate or Certificates pursuant to Sections 3.07 or 3.08, the Trustee may require the payment of a sum to reimburse it for, or to provide funds for, the payment of any tax or other governmental charge or any charges and expenses connected therewith paid or payable by the Trustee.

### Duties of the Trustee

SECTION 6.01. In the event the Trustee shall have actual knowledge of an Event of Default, the Trustee shall give prompt written notice of such Event of Default to each holder of a Certificate and the Trustor by first class certified mail, postage prepaid, unless such Event of Default shall have been remedied before the giving of such notice. Subject to the terms of Section 6.03, the Trustee shall take such action with respect to an Event of Default, including, but without limitation, waiving such Event of Default or the consequences thereof, as the Trustee shall be directed in writing by a Majority in Interest of Participants. If the Trustee shall not have received instructions as above provided within twenty (20) days after mailing notice of such Event of Default to the holders of the Certificates and the Trustor, the Trustee may, until it shall have received such instructions, refrain from taking any action with respect to such Event of Default. In the event the Trustee shall at any time declare the Lease to be in default pursuant to Section 14 of the Lease, the unpaid principal amount of all Certificates then outstanding with accrued interest thereon shall immediately become due and payable without further act or notice of any kind. For all purposes of this Trust Agreement, in the absence of actual knowledge, the Trustee shall not be deemed to have knowledge of

an Event of Default unless notified in writing by Lessee or one or more holders of Certificates or the Trustor, except that the Trustee shall be deemed to have actual knowledge of an Event of Default upon the failure of Lessee to pay any installment of Basic Rent within five (5) days after the same shall become due.

SECTION 6.02. Subject to the terms of Section 6.03, the Trustee shall, but only upon the written instructions at any time and from time to time of a Majority in Interest of Participants, take such of the following actions as may be specified in such instructions:

(i) give such notice or direction or exercise such right or power under the Lease, the Purchase Order or the Assignment as shall be specified in such instructions, or take such other action as shall be specified in such instructions;

(ii) approve as satisfactory to it all matters required by the terms of the Lease to be satisfactory to it, it being understood that without the written instructions of a Majority in Interest of Participants, the Trustee shall not approve any such matter as satisfactory to it;

(iii) subject to Section 16 of the Lease, after the expiration or earlier termination of the Lease with respect to any Unit, convey all the Trustee's right, title and interest in and to the Units for such amount, on such terms and to such purchaser or purchasers as shall be designated in such instructions, or lease or otherwise dispose of the Units on such terms as shall be designated in such instructions.

SECTION 6.03. (a) The Trustee shall not be required to take any action under Sections 6.01 or 6.02 unless the Trustee shall have been indemnified by the Trustor, in manner and form reasonably satisfactory to the Trustee, against any liability, cost or expense (including counsel fees) which may be incurred in connection with such action; and if a Majority in Interest of Participants shall have directed the Trustee to take any such action, the Trustor agrees to furnish such indemnity as shall be required. The Trustee shall not be required to take any action under Sections 6.01 or 6.02, nor shall any other provision of this Trust Agreement be deemed to impose a duty on the Trustee to take any action, if the Trustee shall have been advised by counsel that such action is contrary to the terms of the Lease or is otherwise contrary to law.

(b) Each holder of a Certificate by its acceptance of such Certificate agrees that if, prior to payment in full of all Certificates issued hereunder, the Trustor shall make any payment to, or deposit with, the Trustee required to be made pursuant to paragraph (a) of this Section, such holder will reimburse the Trustor the ratable share of such payment or deposit applicable to each Certificate held by such holder, such ratable share being computed with reference to the aggregate Commitments of the Trustor and the holders of the Certificates then outstanding.

SECTION 6.04. The Trustee shall have no duty or obligation to manage, control, use, sell, dispose or otherwise deal with any Unit or any other part of the Trust Estate, or to otherwise take or refrain from taking any action under, or in connection with, the Lease or the Assignment or any action with respect to the Units, except as expressly provided by the terms of this Trust Agreement and as expressly provided in written instructions pursuant to Sections 6.01 or 6.02; and no implied duties or obligations shall be read into this Trust Agreement against the Trustee. The Trustee nevertheless agrees that it will, at its own cost and expense, promptly take such action as may be necessary to duly discharge any liens or encumbrances on any part of the Trust Estate which result from claims against the Trustee not related to the ownership of the Units or the administration of the Trust Estate.

SECTION 6.05. The Trustee agrees that it will not manage, control, use, sell, dispose or otherwise deal with any Unit or any other part of the Trust Estate except in accordance with written instructions pursuant to Section 6.01 or 6.02.

## ARTICLE VII

In the administration of the trusts hereunder, the Trustee may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and may, at the expense of the Trust Estate, consult with counsel, accountants, and other skilled persons to be selected and employed by it, and the Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons.

SECTION 7.06. In accepting the trusts hereby created, the Trustee acts solely as trustee hereunder and not in its individual capacity; and all persons, other than the holders of Certificates or the Trustor to the extent provided in Section 7.01, having any claim against the Trustee by reason of the transactions contemplated hereby shall look only to the Trust Estate for payment or satisfaction thereof.

SECTION 7.07. Except as provided in Article V and Section 7.09 hereof, the Trustee agrees that it shall have no right against the holders of the Certificates, the Participants or, except as specifically provided in this Trust Agreement, the Trust Estate for any fee as compensation for services hereunder.

SECTION 7.08. Any and all exculpatory provisions, immunities and indemnities in favor of the Trustee under this Agreement shall inure to the benefit of the Trustee in its capacity as such, as Lessor under the Lease and as Assignee under the Assignment.

SECTION 7.09. The Trustee shall, to the extent not provided for under any applicable provisions of Section 6.03 hereof or to the extent not compensated by Lessee pursuant to Section 10(a) of the Finance Agreement, be entitled to receive from the Trustor reasonable compensation as determined by the Trustee and reimbursement for its expenses and disbursements (including compensation and expenses of its counsel, accountants or other skilled persons and all other persons not regularly employed by the Trustee) in connection with its responsibility hereunder. In the event unusual duties or

responsibilities are imposed on the Trustee hereunder, including without limitation duties and responsibilities on the occurrence of an Event of Default, sale or other disposition of a Unit or Units, instigation of a lawsuit or claim, or any other reason, the Trustee shall, to the extent not provided for under Section 6.03 hereof or by the Lessee pursuant to Section 10(b) of the Finance Agreement, be entitled to receive from the Trustor additional compensation, reasonable in regards to its additional duties or responsibility, and reimbursement for its reasonable expenses and disbursements as set forth above. ## ARTICLE VIII

SECTION 8.01. The Trustor hereby agrees, whether or not any of the transactions contemplated hereby shall be consummated, to assume liability for, and to indemnify, protect, save and keep harmless the Trustee, its successors, assigns, agents and servants, from and against any and all liabilities, obligations, losses, damages, penalties, taxes, claims, actions, suits, costs, expenses or disbursements (including legal fees and expenses) of any kind and nature whatsoever which may be imposed on, incurred by or asserted against the Trustee (whether or not also indemnified against by Lessee under the Lease or under the Finance Agreement or also indemnified against by Builder or any other person) in any way relating to or arising out of this Agreement, the Certificates, the Lease, the Finance Agreement, the Purchase Order or the Assignment or the enforcement of any of the terms of any thereof, or in any way relating to or arising out of the manufacture, purchase, acceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of any Unit (including, without limitation, latent and other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement), or in any way relating to or arising out of the

administration of the Trust Estate or the action or inaction of the Trustee hereunder, except (i) expenses resulting from wilful misconduct or gross negligence on the part of the Trustee in the performance of its duties hereunder, and (ii) expenses resulting from the material breach of any representation or warranty contained in Section 7.03 hereof and in Section 7(e) of the Finance Agreement. SECTION 8.02. The Trustor hereby agrees to indemnify and hold harmless all holders from time to time of Certificates from and against any reduction in the amount payable out of the Trust Estate to such holders in respect of such Certificates or other loss, cost or expense reasonably incurred by such holders as a result of the imposition or enforcement of any lien or claim against the Trust Estate by any taxing authority because of non-payment by the Trustor of taxes imposed or measured by the net income of the Trustor by such taxing authority.

## ARTICLE IX

### Transfer of Trustor's Interest

SECTION 9.01. The Trustor shall not assign, convey or otherwise transfer any of its right, title or interest in and to this Agreement, the Trust Estate or the Finance Agreement; provided, however, that the Trustor may, subject to the receipt by the Trustee of an opinion of counsel reasonably satisfactory to it (who may be counsel to the Trustor) as to compliance with the restrictions recited in Section 7(b) of the Finance Agreement, convey to any person (hereinafter referred to as the "transferee") all, but not less than all, of its right, title and interest as the Trustor in and to this Agreement, the Trust Estate and the Finance Agreement, provided (i) the transferee enters into an agreement or agreements in form and substance satisfactory to the Trustee and counsel to the Interim Participant and the Loan Participant, whereby such person confirms that it shall be deemed a party to the Finance Agreement and a party to this Trust Agreement and agrees to be bound by all the terms of, and to undertake all of the obligations of the Trustor contained in, the Finance Agreement and this Trust Agreement, (ii) the Trustor assumes the risk of any adverse tax consequences to the Trustor resulting from such conveyance and (iii) that, if the transferee is not a bank or

lending institution with a combined capital and surplus of at least Twenty-five Million Dollars (\$25,000,000), the Trustor shall, (x) unless the requirement of a tax indemnification agreement shall have been waived by the holders of more than fifty (50) percent in aggregate principal amount of Certificates pursuant to Section 9.02, enter in a tax indemnification agreement, in form and substance satisfactory to counsel to the Interim Participant and the Loan Participant, with the Trustee for the benefit of the holders of the Certificates pursuant to which the Trustor will indemnify and hold harmless all present and future holders of Certificates, from and against any reduction in the amount payable out of the Trust Estate to such holders in respect of Certificates, or other loss, cost or expense incurred by such holders, as a result of the imposition or enforcement of any lien or claim against the Trust Estate by any taxing authority because of the nonpayment by the transferee of taxes imposed on or measured by the net income of the transferee by such taxing authority and (y) remain jointly and severally liable with the transferee for its obligations under Section 8.01. Under any such conveyance by the Trustor to the transferee as above provided, such transferee shall be deemed the Trustor for all purposes hereof, and shall be deemed to have invested all the Trustor's Commitment in the Units, and each reference herein to the Trustor shall thereafter be deemed a reference to the transferee.

SECTION 9.02. Any Trustor proposing to transfer its interests hereunder pursuant to Section 9.01 shall give written notice to the Trustee, specifying the name and address of the proposed transferee and specifying the facts necessary to determine whether or not the holders of the Certificates are entitled to tax indemnification in respect of such transfer pursuant to clause (x) of clause (iii) of the proviso to the first sentence of Section 9.01 and the Trustee shall promptly notify each holder of a Certificate in writing of the proposed transfer, requesting each holder of a Certificate to notify the Trustee in writing whether or not it requests such tax indemnification, if the holders of Certificates are entitled to such indemnity. Any such holder which has not notified the Trustee within thirty (30) days after such notice from the Trustee shall be deemed to have waived such tax indemnification. Not later than five (5) days after the end of such thirty-day period the Trustee shall notify the Trustor whether or not tax indemnification in respect of such transfer has been waived by holders of more than fifty (50) percent in aggregate principal amount of Certificates outstanding as of the date of such notice from the Trustee.

SECTION 9.03. At any time after the occurrence and during the continuance of an Event of Default and upon the written request of the Trustor, each holder of a Certificate agrees that it will, upon receipt from the Trustor of an amount equal to the aggregate unpaid principal amount of all Certificates then held by such holder, together with accrued interest thereon to the date of payment, plus all other sums then due and payable to such holder hereunder or under the Finance Agreement, the Lease and such Certificates, forthwith sell, assign, transfer and convey to the Trustor all of the right, title and interest of such holder in and to the Trust Estate, the Finance Agreement, this Trust Agreement and all Certificates held by such holder, and the Trustor shall assume all of such holder's obligations under the Finance Agreement. If the Trustor shall so request, such holder will comply with all the provisions of Section 3.07, at the Trustor's expense, to enable new Certificates to be issued to the Trustor in such denominations as the Trustor shall request. All charges and expenses required pursuant to Section 3.09 in connection with the issuance of any such new Certificate shall be borne by the Trustor.

SECTION 9.04. Unless there shall have occurred and be continuing an Event of Default under Section 13 of the Lease, upon Lessee's failure to make any payment of Rent when the same shall have become due, the Trustor may pay to the Trustee, prior to the later of the expiration of ten (10) days or the expiration of the grace period, if any, with respect to such event provided for in Section 13 of the Lease, an amount equal to any principal and interest (including interest, if any, on overdue payments of principal and interest) then due and payable on the outstanding Certificates and, unless Lessee has failed for any reason to pay in full when due the Basic Rent for each of the two (2) preceding tri-monthly lease periods, such payment by the Trustor shall be deemed to cure any Event of Default which otherwise would have arisen from such failure of Lessee; upon such payment by it the Trustor shall be subrogated to the rights of the holders of the Certificates in respect of such payment of Rent and payment of interest on account of its being overdue, and, notwithstanding Section 5.01 hereof, shall, upon written notice to the Trustee by the Trustor and if no other Event of Default shall have occurred and be continuing, and if all principal and interest payments due on the Certificates at the time of receipt by the Trustee of such payment of Rent have been paid, be entitled to receive such Rent and such interest upon receipt thereof by the Trustee; provided, however, that in the event that the

principal of and interest on the Certificates shall have become due and payable pursuant to Section 6.01 hereof, such subrogation shall be subordinate to the rights of the holders of the Certificates in respect of such payment of Rent and such interest prior to receipt by the Trustor of any amount pursuant to such subrogation, and provided, further, however, that the Trustor will not seek to recover any such payment (or any amount in lieu thereof) except pursuant to the foregoing right of subrogation.

## ARTICLE X

### Successor Trustee

SECTION 10.01. (a) The Trustee or any successor thereto may resign at any time without cause by giving at least thirty (30) days' prior written notice to the Trustor and each holder of a Certificate. In addition, a Majority in Interest of Participants may at any time remove the Trustee without cause by an instrument in writing delivered to the Trustee, the Trustor and each other holder of a Certificate. Any such resignation or removal shall only become effective upon the appointment as hereinafter provided of a successor Trustee and the acceptance of such appointment by such successor Trustee. In the case of the resignation or removal of the Trustee, a Majority in Interest of Participants may appoint a successor Trustee by an instrument signed by such Majority in Interest of Participants. If a Majority in Interest of Participants shall not have appointed a successor Trustee within thirty (30) days after such notice of resignation or removal, the Trustee, the Trustor or any holder of a Certificate may apply to any court of competent jurisdiction to appoint a successor Trustee to act until such time, if any, as a successor shall have been appointed by a Majority in Interest of Participants as above provided. Any successor Trustee so appointed by such court shall immediately and without further act be superseded by any successor Trustee appointed by a Majority in Interest of Participants within one year from the date of the appointment by such court.

(b) Any successor Trustee, whether appointed by a court or by a Majority in Interest of Participants or otherwise, shall execute and deliver to the predecessor Trustee an instrument accepting such appointment, and thereupon such successor Trustee, without further act, shall become vested with all the estates, properties, rights,

powers, duties and trusts of the predecessor Trustee in the trusts hereunder with like effect as if originally named as a Trustee herein; but nevertheless upon the written request of such successor Trustee, such predecessor Trustee shall execute and deliver an instrument transferring to such successor Trustee, upon the trusts herein expressed, all the estates, properties, rights, powers and trusts of such predecessor Trustee, and such predecessor Trustee shall duly assign, transfer, deliver and pay over to such successor Trustee any property or moneys then held by such predecessor Trustee upon the trusts herein expressed.

SECTION 10.02. Any successor Trustee, however appointed, shall be a bank or trust company duly authorized to conduct a trust business and having a combined capital and surplus of at least Twenty-five Million Dollars (\$25,000,000).

SECTION 10.03. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation to which substantially all the business of the Trustee may be transferred, shall, subject to the terms of Section 10.02, be the Trustee under this Trust Agreement without further act.

SECTION 11.02. If in the opinion of the Trustee any document required to be executed pursuant to the terms of Section 11.01 affects any immunity or indemnity in favor of the Trustee under this Trust Agreement or the Lease, the Trustee may in its discretion decline to execute such document.

SECTION 11.03. It shall not be necessary for any written request of the holders of Certificates or the Trustor furnished pursuant to Section 11.01 to specify the particular form of the proposed document to be executed pursuant to said Section, but it shall be sufficient if such request shall indicate the substance thereof.

SECTION 11.04.
